Online Examination

Examination

This examination will test your knowledge on the module you have completed.

The examination will be open between the times indicated, remember once the exam is opened you cannot close it and come back to the exam later - there is a time limit and once the exam has started a timer will start. Once the time has run out the exam will close.

Please read the following message

I understand that it is important that the attempt I am about to make is all my own work. I understand what constitutes plagiarism or cheating, and I will not undertake such activities.

I have read and agree to the above statement.

Timed quiz

The quiz has a time limit of 3 hours. Time will count down from the moment you start your attempt and you must submit before it expires. Are you sure that you wish to start now?
